[Disputed Abstract]

of Modern Medicine at Sullia-Temporary conversion into one of Indigenous
Medicine-Approved.

Roc No. 4823-52-1A1

South Kanara Dt. Board Office,
Mangalore, dated 14-4-1952.

From

Sd/- 20.4.1952
Sri B. Manjaya Hegde, B.A., B.L.,
President, District Board, South Kanara.

To

The Secretary to Government of Madras
Public Health Department,
Madras.

Sir,

DISPENSARY- L.F. Sullia- of Modern Medicines-
conversion into one of Indigenous
medicines- permission sought.

I am to inform the Government that the L.F. Dispensary, Sullia of Modern Medicine has been without a Medical Officer since 6-1-1952 as the Reserve Medical Officer, in-charge of the said Dispensary is on leave and no qualified candidate is available to fill up the vacancy. The Medical Officer has now requested that he proposes to resign his post as he is not in a position to serve in Sullia. The Rural Medical Practitioner of Kurnad who is eligible to hold the post of a Medical Officer in a regular dispensary is not willing to accept the post of a Medical Officer in a regular dispensary with the result that the post in Sullia dispensary remains vacant. In anticipation of approval of the Board, I propose to appoint a Licentiate in Indian Medicine to the said dispensary by temporarily converting the dispensary into one of Ayurvedic system medicine.

2 In the circumstances, I request that Government may be pleased to sanction the conversion of the dispensary and permit me to appoint a Candidate possessing the L.I.M. qualifications. As the people of Sullia and the neighbouring villages have been without medical aid since 6-2-1952 I request that the matter may be treated as specially urgent and orders passed early.

For President.
